EDUCATIONAL INFORMATION

Şehit Mehmet Gönenc Highschool (1998-2001)

Uludağ University Medical School (2001-2006)(I left the school voluntarily)

Sakarya University Adapazarı Junior Technical Collage

Computer Technology and Programming (2006-2008)

Pamukkale University Computer Engineering (2008 – 2011) (Graduated)

HTML, PHP, ASP.NET

Approximately six years, I am heavily interested in open-sourced Wordpress and Joomla content management systems and forum systems such as Vbulletin, Phpbb, Smf. I have a basic info about Html and Php from Web programming lessons from school and previously mentioned interests. At the moment I am interested in Asp.Net for a project that i am working on .
